About Cluley Projects and Erin Cluley Gallery

Erin Cluley Gallery's satellite gallery Cluley Projects opened in April 2021 and is housed in an 1100 sq ft space on Sylvan Avenue within walking distance from the Belmont Hotel. Cluley Projects will act as an incubator space focusing on regional artists and providing a platform for discovery and mentorship.

Erin Cluley Gallery opened its doors in West Dallas in 2014, igniting a creative movement and acting as a hub for visual arts and community engagement. After nearly five years on Fabrication Street, the gallery moved its main operation to Riverbend – a development in Dallas' Design District celebrating the intersection between culture and commerce.
